Dear Ms. Wall:

This is in response to your letter dated March 28th, 1997 referencing our 30 Day Post-General Report (10/17/96 - 11/25/96). It appears from our phone conversation that two different versions of this report could explain some of the discrepancies involved. It is my interpretation of our phone conversation that your letter refers to the original report, while we were attempting to address your concerns using the amendment to that report. I have rechecked the calculations on the amendment and there appears to be one mistake (which you have pointed out, coincidentally, in your letter regarding the original) which I am correcting and forwarding to you in a revised amendment. Hopefully this second amendment will address all of the discrepancies.

In the meantime I will await your response on this matter.

Sincerely,

Brad Fralick
Deputy Executive Director
